WESTON PARK RAILWAY – Fun for all ages, our train meanders past the golf course and farm. The whole journey takes around 9 minutes.

LAKE WALTER MINI GOLF – Australia's LARGEST fully lit miniature golf course! With over 1,800 square metres of putting surface our Canberra themed 36-hole golf course makes YPS the par-fect place for your group. First and foremost, mini golf is fun, but it is also suitable for all ages and physical abilities.

FARM FRIENDS MINI FARM – We're not a petting zoo which means it's up to the animals if they'd like to be touched... but they do love attention. We have a cow, ponies, alpacas, pigs, goats, lambs, sheep, turkeys, ducks, chickens, rabbits and a variety of birds in aviaries!

STATION STOP CAFÉ AND HISTORIC 1910 CARRIAGES – We have a full service café and executive chef on hand to create an array of tasty food for you to enjoy. Combine this with our historic carriages that can each seat up to 40 people, and you have a unique and memorable experience that everyone will be talking about.
