

YPS TEAM BUILDING

Why mini golf? First and foremost mini golf is fun, but it is also suitable for all ages and physical abilities, and it's a great way to build team spirit and your teams interpersonal relationships. You can also make it competitive, run a tournament and give out awards, or just keep it casual.

We appreciate you have limited time and that time is money. A round of mini golf takes approximately 45 to 60 minutes to play. We'll have your food ready for you when you arrive and then you can get straight onto the golf course and be done in under 2 hours, or, stay longer and utilise the carriage as your meeting room, there's power available and other facilities should you require them, just tell us what you need.

Yarralumla Play Station is located in Weston Park and overlooks Lake Burley Griffin and Black Mountain Peninsula just minutes away from the City and Woden town centres. YPS also has a variety of attractions suitable for everyone, come for a ride on Bluebell our mini train, visit our mini farm with a variety of farm animals, or enjoy our full service café and historic 1910 first class carriages that can each hold up to 40 people. YPS the par-fect place for your groups next outing.
