

# Yarralumla Play Station

## Kid's party food ingredients list:

Below is a list of all the food items supplied in our children's parties. It is a detailed breakdown of all the ingredients used, please read through it and check with other parents to make sure that any child attending the party is not allergic or will not have any adverse reactions to any of the ingredients listed below.

This list is subject to change due to supplier manufacture and availability and should be followed as a guide only. If you have any questions or concerns regarding anything on this list please feel free to contact one of our staff to assist you.
