

YPS SCHOOL GROUPS

The Yarralumla Play Station is located in Weston Park and overlooks Lake Burley Griffin just minutes away from the Parliamentary Triangle, the City and Woden town centres.

YPS is home to the Weston Park Miniature Railway, Lake Walter Canberra themed Miniature Golf courses, Farm Friends Mini Farm and Station Stop Café. Our range of activities covers students of all ages, pre-schoolers and above will be excited with the train ride and farm animals, while high schoolers and below will have fun and be challenged by our golf courses.

With Australia's largest miniature golf course there's plenty of room to move, and with 2 courses we have capacity for 144 people. Add in a farm visit, split your group into two, and we have any sized group covered for an hour or half a day.

WESTON PARK RAILWAY

Fun for all ages, Bluebell the miniature train meanders around the track going past our golf course and farm friends. The journey takes around 9 minutes and you'll experience all the bells and whistles!

FARM FRIENDS MINI FARM

We're not a petting zoo which means it's up to the animals if they'd like to be touched... but they do love attention. We have a cow, ponies, alpacas, pigs, goats, lambs, sheep, turkeys, ducks, chickens, rabbits and a variety of birds in aviaries!

LAKE WALTER MINI GOLF

Australia's LARGEST fully lit miniature golf course! With over 1800 square metres of putting surface our Canberra themed 36-hole golf course makes YPS the par-fect place for your group. First and foremost, mini golf is fun, but it is also suitable for all ages and physical abilities.

STATION STOP CAFÉ & HISTORIC 1910 CARRIAGES

We have a full service café and executive chef on hand to create an array of tasty food for you to enjoy. Combine this with our historic carriages that can each seat up to 40 people, and you have a unique and memorable experience that everyone will be talking about.
